Mac Download Instructions

https://fairplaygame.org/demo/
Open a web browser to the game's web page :
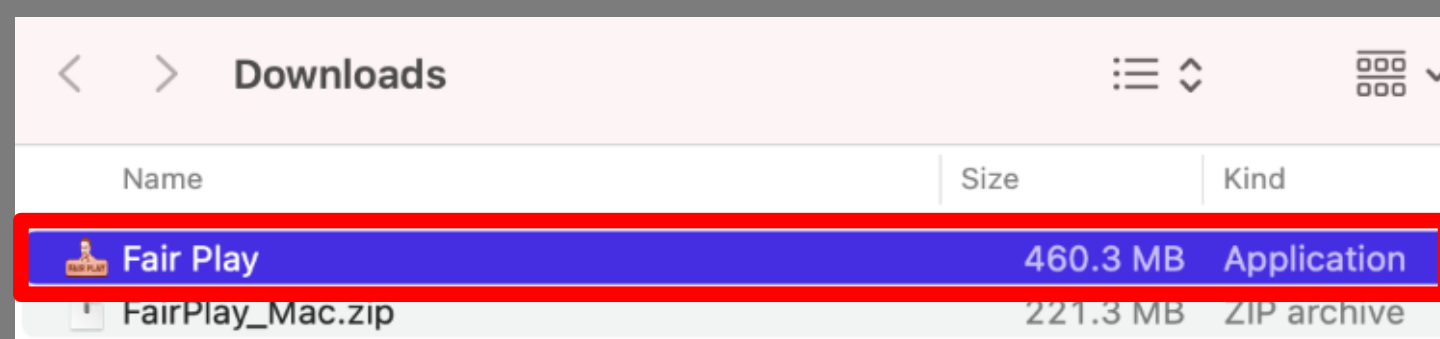

https://fairplaygame.org/demo/
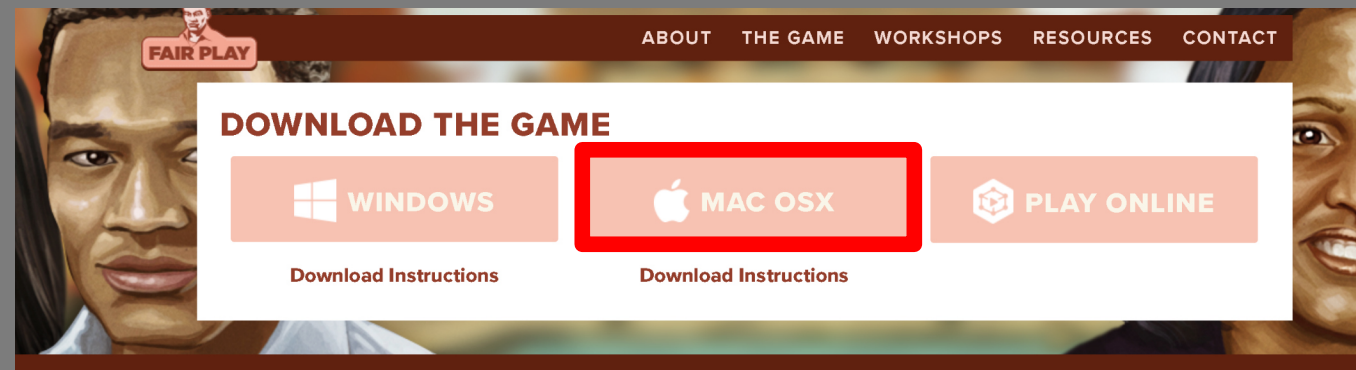

Click the MacOSX button at the top of the page to start the .zip file download. FairPlay_Mac.zip will begin to download.
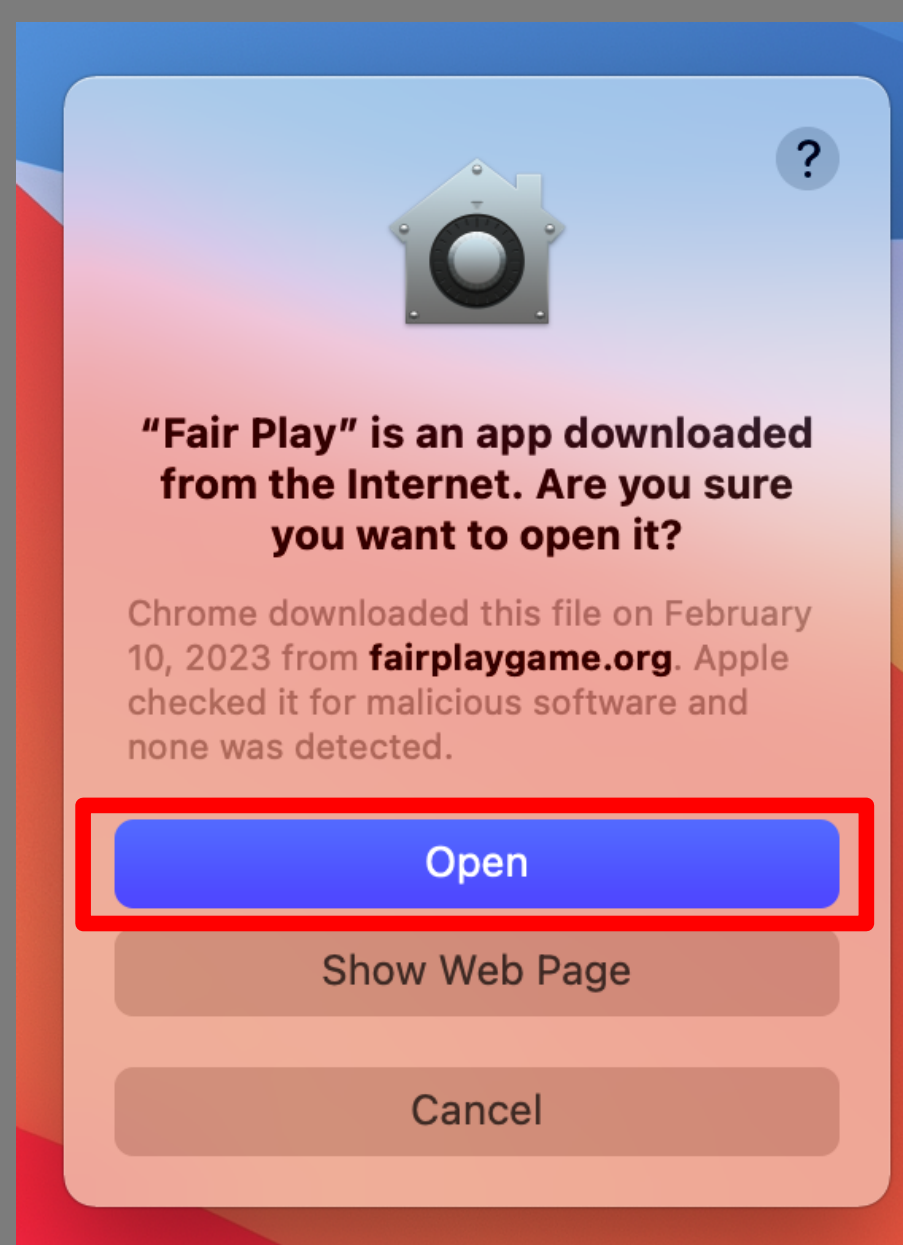

Once the file has finished downloading, go to your mac's Downloads folder and locate the FairPlay_Mac.zip file.

Double click on the FairPlay_Mac.zip to extract the game application.

Double-click the newly created Fair Play application to run the game.

NOTE: If this is your first time running the game, Mac OSX security will prompt you with a protection screen. Click the "Open" button to run the game
