

Windows Download Instructions

<https://fairplaygame.org/demo/>

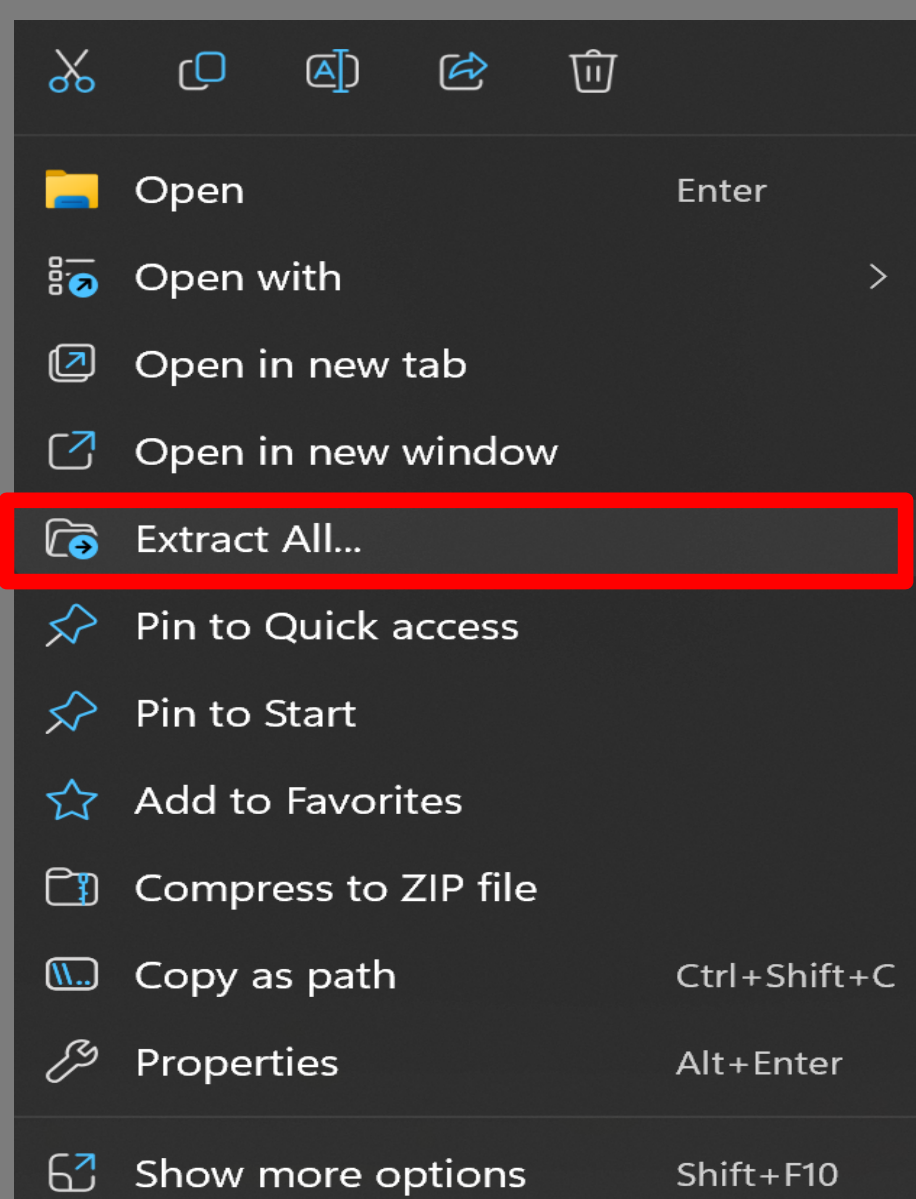

Open a web browser to the game's web page :

<https://fairplaygame.org/demo/>

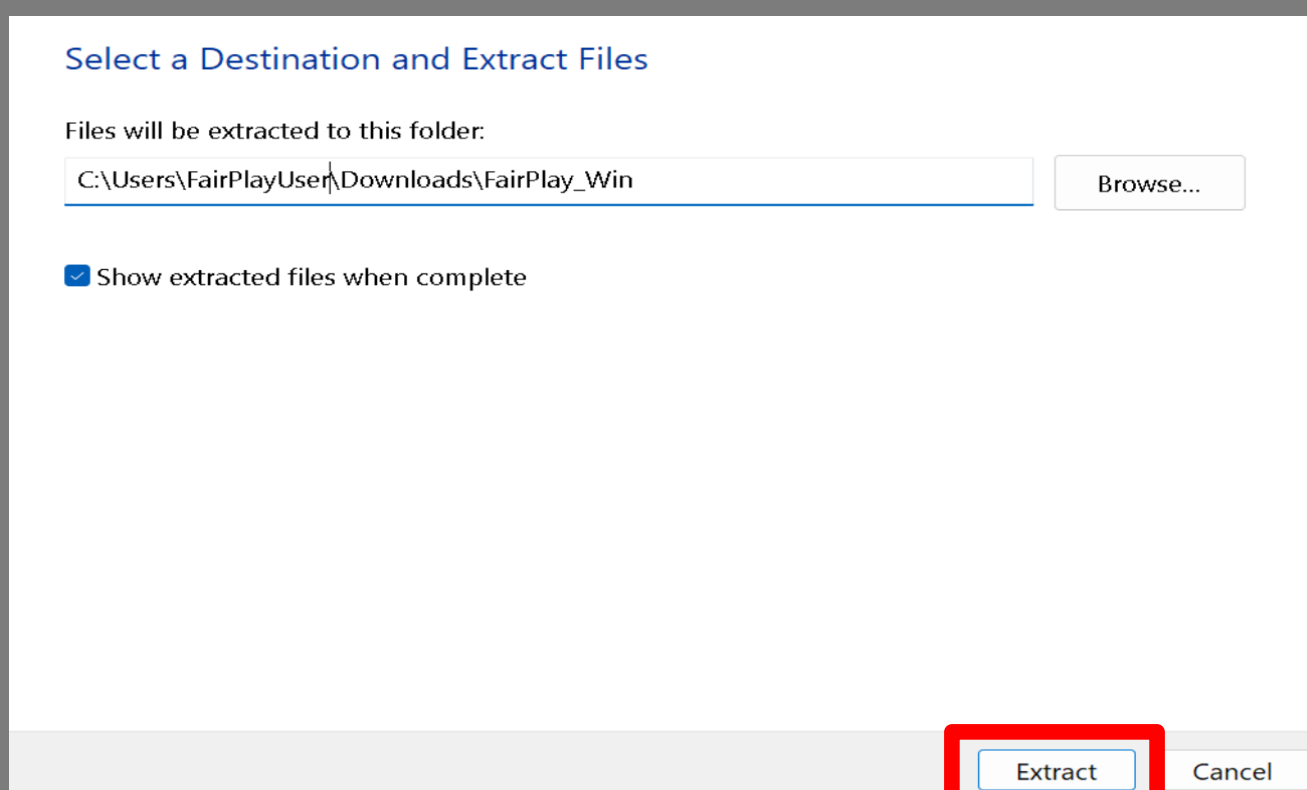

Click the Windows button at the top of the page to start the .zip file download. FairPlay_Win.zip will begin to download.

Once the file has finished downloading, go to your browser's Downloads folder and locate the FairPlay_Win.zip file.

Right click on the file and select "Extract All"

At the extract pop-up, hit the "Extract" button to unzip the game folder. Once the unzip is complete, open the newly created "FairPlay_Win" folder and navigate to the FairPlay.exe file.

Double-click this file to open the game.

NOTE: If this is your first time running the game, Windows security will prompt you with a protection screen. Click the "More Info" text in the upper text area of the window

Select the "Run Anyway" button to launch the game.
